

GMO-Free Statement

Potassium Sorbate, USP/FCC, Kosher

Lab Alley declares that, per the knowledge communicated by our supplier(s), the product mentioned above is a GMO-Free product.

The product is produced from raw materials Acetic Acid Glacial and Crotonaldehyde, Potassium Hydroxide, which are purely synthetic. In the manufacturing process neither genetic modification technology is applied nor genetically modified ingredients are used throughout the entire process. The product does not meet the definition of "produced from GMOs" as defined in Article 2 paragraph 10 of EC No 1829/2003.
