

**Certificate of Analysis**

**Product: Propylene Glycol 99.5%**  
**Item Number: PGF**  
**Grade: USP/NF/FCC**  
**Lot Number: 5000724/1.1**  
**Manufacture Date: 05/28/2024**  
**Expiration Date: 05/27/2026**  
**Country of Origin: United States**

| <b>Tested Property</b>           | <b>Specification</b>                    | <b>Analysis</b> |
|----------------------------------|---|-----------------|
| Visual                           | Clear/Clean free of suspended particles | Passes          |
| Odor                             | Odorless                                | Odorless        |
| Color                            | Colorless                               | Passes          |
| Water Content, %                 | Max. 0.2                                | 0.0             |
| Specific Gravity @ 25°C          | 1.035 - 1.037                           | 1.035           |
| Refractive Index                 | 1.4310 - 1.4330                         | 1.4330          |
| Identification A, by IR          | Identified as Propylene Glycol          | Passes          |
| Identification B, Limit % DEG    | Max. 0.1                                | <0.10           |
| Identification B, Limit % EG     | Max. 0.1                                | <0.10           |
| Identification C                 | Retention is equal for sample standard  | Passes          |
| Acidity as acetic acid, weight % | Max. 0.002                              | 0.0005          |
| Chlorides, ppm                   | Max. 0.5                                | <0.5            |
| Color, Pt-Co, APHA               | Max. 10                                 | 1               |
| Heavy metals as Pb, weight ppm   | Max. 5                                  | <1              |
| Iron, weight ppm                 | Max. 0.5                                | 0.01            |
| Suspended Matter                 | To pass test                            | Passes          |
| Residual Solvents                | To pass test                            | Passes          |
| Assay as PG, dry basis, %        | Min. 99.90                              | 99.95           |
| Diethylene glycol, wt%           | Max. 0.008                              | <0.001          |
| Ethylene glycol, wt%             | Max. 0.008                              | <0.001          |
